Rowe Scientific Code	Product Description	Unit	Note: Unit Price (excluding GST)	Delivery Time
CA3524	ALUMINIUM POTASSIUM SULPHATE DODECAHYDRATE (GLR)	500g	@ \$21.50 + GST	14 Days (approx.)

**Note: This price is valid as at February 2020. Price may be subject to change at any time by Rowe Scientific.**

- Rowe Scientific requires a Purchase Order from the School indicating quantity required and the Delivery Address
- Price quoted is Free into Store (FIS) to Schools in the Brisbane and metropolitan area and DOES NOT include GST
- All non-school orders or schools outside the Brisbane & metro area would need to pay freight to their delivery point.
- As this product is non-hazardous orders can be despatched via Australia Post in satchels.
- Estimated cost for 500g Post Satchel would be about \$10.00.
- Estimated cost for 3kg Post Satchel would be about \$15.00.
- These Post Satchel prices may be subject to change at any time by Australia Post.
