

Rennie Memorial Medal

Awarded by The RACI for Research excellence in Chemical Science

The award requires nomination by a RACI Member (MRACI and Above). The candidate is required to be a current member (for a minimum of 3 years) with less than 8 years professional experience since completing their most recent qualification of a BSc, BSc (Hons), MSc or PhD, or the equivalent. Career breaks will be recognised.

Nominations open 1 April 2022 and close 12 June 2022. The nomination requirement is a current CV, synopsis of research work published during the last 10 years or equivalent relative to opportunity which has contributed most towards the development of some branch of chemical science plus referee report with contact details of no less than two referees.
